(John 3:16)

People come and go, but one thing I know
Jesus never leaves you
He's with you every day, just a prayer away
He'll always see you through
You've heard the stories,
You've heard the lies
That Jesus died but He did not rise
I tell you man that He's alive and well
Not a story sittin' on a shelf
So take your money from the wishin' well
And put your faith in Him
J.E.S.U.S. means forgiveness
All you've got to do is call on...
J.E.S.U.S. and He'll be there, there for you
So if your down hearted,
And you need your motor started
Jesus is the fuel
If your runnin' on empty, I'm tellin' it simply
His love will keep you full
REPEAT PRE-CHORUS
REPEAT CHORUS 2X
