YOU are the air that I breath, your my composure  
YOU are the warmth of the sun on a cold day  
YOU'RE everything I can't see, and all that is closer  
YOU are the moonlight that shines on what I pray  
CHORUS 1

I don't ever want to live at all  
If I could never really live for YOU  
I say to myself that's all that matters  
YOU are the essence of peace, as YOU give it freely  
And when I am with YOU I'm no longer dying  
CHORUS 2

I don't ever want to live at all  
If I could never really live for YOU  
I say to myself that's all that matters  
Now I know the beauty of it all  
If ever I am broken to a crawl  
You'll carry me to the Everafter

SOLO

CHORUS 2  
I don't ever want to live at all  
If I could never really live for YOU  
I say to myself that's all that matters  
Now I know the beauty of it all  
If ever I am broken to a crawl  
You'll carry me to the Everafter  
YOU will carry, YOU will carry, YOU will carry  
YOU will carry, YOU will carry, YOU will carry
