Sad goodbye
Never quite got said
Now the time is gone
We're moving on
Even though it hurts so bad

If I could
I'd turn back the days
And I'd love again
To be your friend
In a hundred different ways

But we can't turn back the time
The days

So if I never said, all I needed to say
I'll say it now
You know I loved you once
I love you stronger than day
Please love, find me a way
Words, I still need to say
But I don't know how

Can't stand still
Still I can't move on
Lord, I need your strength
Need you and me
'Cause a part of me is gone

In time, I will know
What I've yet to see
That through all the pain
You hurt the same
And you're standing here with me

More than anything it's you
I need

So if I never said, all I needed to say
I'll say it now
You know I loved you once
I love you stronger than day

Please love find me a way
Words, I still need to say
Please show me how

So if I never said, all I needed to say
I'll say it now
You know I loved you once
I love you stronger than day
Please love find me a way
Words, I still need to say
But I don't know how
Please love find me a way
Please show me how
