All I have in this world  
Is fire from above  
All I have in this world  
Is you  
And all the journeys I have walked  
I know you've walked them too  
All I want is to be faithful  
All I want is you

All I have is a love  
That set my world on fire  
Let it fall, let it burn in me  
And oh to be a friend of God is all that I desire  
All I want is to be faithful  
All I want is you

All I want is you  
All I want is you  
All I want is you  
Is you

All I have in this world  
Is fire from above  
All I have in this world  
Is you  
And all the journeys I have walked  
I know you've walked them too  
All I want is to be faithful  
All I want is you

All I want is you  
All I want is you  
Da...oh oh oh  
All I want is you  
Is you
