My servant, now your time is come  
You'll have a job to do  
I have a people to be led  
And a willing heart in you

So I give you strength and courage  
And I'll hide you in my hand  
For Joshua, you gotta live for your call  
Take my people to their land

So be strong and courageous  
So be strong and courageous  
You know you gotta be strong and courageous  
So be strong and courageous

Never should you fear my call  
Just listen and obey  
Discouragement need never fall  
Stand on the words I say

You know I led your fathers here  
And you know I'll lead you too  
Inscribe my law into your soul  
And nothin' will touch you

So be strong and courageous  
So be strong and courageous  
So be strong and courageous  
You know you gotta be strong and courageous

So be strong and courageous  
So be strong and courageous  
You know you gotta be strong and courageous  
So be strong and courageous
