You breathe in me
And I'm alive
With the power of your holiness
You breathe in me
And you revive
Feelings in my soul
That I have laid to rest

So breathe in me
I need you now
I've never felt so dead within
So breathe in me
Maybe somehow
You can breathe new life
In me again

I used to be
So sensitive
To the light that leads
To where you are

Now I've aquired
These callouses
With the darkness of
A cold and jaded heart

So breathe in me
I need you now
I've never felt so dead within
So breathe in me
Maybe somehow
You can breathe new life
In me again
