Been here for days, I'm amazed at this teacher,  
carpenter, preacher  
Lost in the crowd, I hear Him now, He's praying and  
He's saying  
"God feed them all"  
Five-thousand men, all of His friends are worried find  
bread and hurry  
Five loaves and fish, what can He wish, He's praying  
still He's saying  
"God feed them all"

Could He be the Messiah?  
Miracle man, part of the plan  
Could He be the Messiah?  
Life in his hand, I understand He could be

Bread for our needs fully He feeds our hunger older  
and younger  
Twelve baskets more can we ignore, He shows us that  
He knows us  
Is He the Christ?  
God in His eyes, I realize His power, need of the hour  
Jesus is His name, they say He came to feed us and to  
receive us  
Is He the Christ?

Could He be the Messiah?  
Miracle man, part of the plan  
Could He be the Messiah?  
Life in his hand, I understand

He could be the Messiah?  
Miracle man, part of the plan  
Could He be the Messiah?  
Life in his hand, I understand He could be

It is He, the Messiah  
Miracle man, part of the plan  
It is He, the Messiah  
Life in his hand, I understand

It is He, the Messiah

Miracle man, part of the plan  
It is He, the Messiah  
Life in his hand, I now understand

It is He, the Messiah  
He's a Messiah  
It is He, the Messiah  
I know it is He

It is He, the Messiah  
He's your Messiah  
It is He, the Messiah  
He's a Messiah

It is He, the Messiah  
It is He, the Messiah
