Draw me close to you, never let me go
I lay it all down again to hear you say that I'm your
friend
You are my desire, no one else will do
'Cause nothing else can take your place
To feel the warmth of your embrace
Help me find the way, bring me back to you

You're all I want
You're all I've ever needed
You're all I want
Help me know you are near

Draw me close to you, never let me go
I lay it all down again to hear you say that I'm your
friend
You are my desire, no one else will do
'Cause nothing else can take your place
To feel the warmth of your embrace
Help me find the way, bring me back to you

You're all I want
You're all I've ever needed
You're all I want
Help me know you are near

You're all I want
You're all I've ever needed
You're all I want
Help me know you are near
Help me know you are near
Help me know you are near
