Sittin' in the rain
Water on your brain
Got a hole in your boat
Trying to stay afloat
Has got you down

I've got a wind in my sail
Rubber boots and a pail
I'll throw you a line
Rest assured that I
Won't ever let you drown

'Cause when you're up against the wall
You know I'll be here for you, for you
When you rise and when you fall
I'll always be here for you, for you

Oh, when the plans you make
Fall through and take you
For a loop
Or some bird has flown the coop
And left you stranded

Just lean on me
And together you see
We'll carry the load
Even if we don't
Quite understand it

'Cause when you're up against the wall
You know I'll be here for you, for you
When you rise and when you fall
I'll always be here for you, for you, for you

'Cause when you're up against the wall
You know I'll be here for you, for you
When you rise and when you fall
I'll always be here for you, for you

'Cause when you're up against the wall
You know I'll be here for you, for you
When you rise and when you fall

I'll always be here for you, for you

When you're against the wall
You know I'll be here for you, be here for you
When you rise, when you fall
I'll always be here for you, be here for you

When you're against the wall
You know I'll be here for you, be here for you
When you rise, when you fall
