Seems like it was only yesterday
She was living here
Yeah, she was living here

Lord knows why He's taken her away
It isn't very clear
No, it isn't very clear

Into every life a little rain must fall
And losing one you love is like a storm
But storms are passing

I hear Leesha singing in Heaven tonight
And in between the sadness
Oh, I hear Leesha telling me that she's alright

Life goes on even after life
And that's what I believe
Yea, that's what I believe

Woh, Leesha's gone but she will still survive
In a memory that I'm keeping
Here with me

Silencing the voice of mortal tragedy
Listening to whispers of the soul
All is peaceful

I hear Leesha singing in Heaven tonight
And in between the sadness
Oh, I hear Leesha telling me that she's alright

Into every life a little rain must fall
And losing one you love is like a storm
But storms are passing

I hear Leesha singing in Heaven tonight
In between the sadness
Oh, I hear Leesha telling me that she's alright

I hear Leesha singing in Heaven tonight
In between the sadness

Oh, I hear Leesha telling me that she's alright

I hear Leesha

I hear Leesha

I hear Leesha
