Yo, Smity it's time to get witty
So hitty, hitty, hitty, hitty, hitman

I saw you and you saw me
And I didn't even know your name

Just one look that was all it took
And I knew I'd never be the same

If walkin' on air compares to what I feel
(What I'm feelin')
Then how can I keep it sealed when

I wanna tell the world
If the smile on my face
Hasn't given me away already

I wanna tell the world
There ain't no way to hide it
Your love has got me flyin' high

Since the day
That you looked my way
I knew we were meant to be together

Now I thank the Lord
For a love like yours
'Cause I know it's gonna last forever

It's hard to believe my dreams have all come true
(Hard to believe that)
And I'm so in love with you that

I wanna tell the world
If the smile on my face
Hasn't given me away already

I wanna tell the world
There ain't no way to hide it
Your love has got me flyin' high

I wanna tell the world

If the smile on my face
Hasn't given me away
(Already, yeah, yeah, yeah, yeah, yeah, hae)

I just want the world to know
Love has got me good to go
(I wanna tell the world, I wanna tell the world)
I have got to get it out
She is all I think about
(I wanna tell the world, I wanna tell the world)
It's something' that I need to say
Love has overtaken me

I wanna tell the world
If the smile on my face
Hasn't given me away already

I wanna tell the world
There ain't no way to hide it
Your love has got me flyin' high

I wanna tell the world
If the smile on my face
Hasn't given me away already

I wanna tell the world
There ain't no way to hide it
Your love has got me flyin' high

I wanna tell the world
I wanna tell the world
I wanna tell the world
