Hurry up, wake up your eyes,  
Time for little ones to see;  
Daddy's got a big surprise hiding under 'neath the  
Christmas tree.  
How they are like the child in me.  
See the wonder in their eyes, like a fairy tale come  
true;  
One more time I realize all the love our lives have  
found in You.

Love has come  
For the world to know,  
As the wisemen knew  
Such a long time ago  
And I believe that angels sang  
That hope had begun,  
When the God of glory,  
Who is full of mercy,  
Sent His Son.

If I could have a special dream  
Coming true on Christmas morn';  
I would want the world to see how His Father smiled  
when Christ was born.  
The greatest gift the world has known.  
So come on, kids, look high and low for all the toys  
you've dreamed to find;  
But I believe you'll never know a greater joy than Jesus'  
love inside.

Love has come  
For the world to know,  
As the wisemen knew  
Such a long time ago;  
And I believe that angels sang  
That hope had begun,  
When the God of glory,  
Who is full of mercy,  
Yes, the God of glory  
Sent His Son!

Love has come  
For the world to know,  
As the wisemen knew  
Such a long time ago;  
And I believe that angels sang  
That hope had begun,  
When the God of glory,  
Who is full of mercy;  
Yes the God of glory  
Sent His son!
