Faith is rising tonight
Faith is rising tonight
Faith is rising tonight

Everyone needs compassion, a love that's never failing
Let mercy fall on me
Everyone needs forgiveness, the kindness of a savior
The hope of nations, yeah, everyone

Savior, He can move the mountains
My God is mighty to save, He is mighty to save
Forever author of salvation
He rose and conquered the grave, Jesus conquered
the grave, yeah

So take me as You find me, all my fears and failures
And fill my life again
I give my life to follow everything I believe in
Now I surrender, now I surrender

Savior, savior, He can move the mountains
Our God is mighty to save, He is mighty to save
Forever author of salvation
He rose and conquered the grave, Jesus conquered
the grave

Savior, savior, He can move the mountains
Our God is mighty to save, He is mighty to save
Forever author of salvation
He rose and conquered the grave, Jesus conquered
the grave

Shine Your light, shine Your light and let the whole
world see
We're singing for the glory of the risen King
Jesus shine Your light and let the whole world see
We're singing for the glory of the risen King

Savior, savior, He can move the mountains
Our God is mighty to save, He is mighty to save
Forever author of salvation
He rose and conquered the grave, Jesus conquered

the grave

Savior, savior, He can move the mountains
Our God is mighty to save, He is mighty to save
Forever author of salvation
He rose and conquered the grave, Jesus conquered
the grave

Shine Your light, shine Your light and let the whole
world see
We're singing for the glory of the risen King
Jesus shine Your light and let the whole world see
We're singing for the glory of the risen King

Shine Your light, shine Your light and let the whole
world see
We're singing for the glory of the risen King
Jesus shine Your light and let the whole world see
We're singing for the glory of the risen King

A lot to celebrate tonight

Shine Your light, shine Your light on me, shine Your
light on me
Shine Your light on me, shine Your light on me
Shine Your light, shine Your light on me, shine Your
light on me
Shine Your light on me, shine Your light on me
