More love, more power
More of You in my life
More love, more power
More of You in my life

And I will worship You with all of my heart
I will worship you with all of my mind
I will worship you with all of my strength
For You are my Lord

More love, more power
More of You in my life
More love, more power
More of You in my life

And I will worship You with all of my heart
I will worship You with all of my mind
I will worship you with all of my strength
For You are my Lord

More love
More love, more power
More of You in my life
More love, more power
More of You in my life

More love, more power
More love, more power
More of You in my life
More love, more power
More of You in my life

More love, more power
More of You in my life
More love, more power
More of You in my life

More love, more power
More of You in my life
More love, more power
More of You in my life

More love, more power
More of You in my life
More love, more power
More of You in my life
