Hah

Take stock of your life  
What's wrong and what's right  
Empty pockets, got no green  
Don't you know sunshine is free  
What breaks have you had?  
Some good and some bad  
Wanna go but got no car  
Dreamin' dreams can take you far

Oh ohoh oh ohoh oh ohoh ohoh  
(Can take you far)  
Oh ohoh oh ohoh oh ohoh ohoh  
You will find that life's worth living  
In this world, it's out of this world  
With a little love and a little giving  
In this world, it's out of this world

Look to the future  
Who's in the picture  
Say your love life's just a dream  
Still you've got a friend in me  
Today, tomorrow  
Laughter and sorrow  
Gonna be some lows and highs  
Might as well enjoy the ride  
Yeah

Oh ohoh oh ohoh oh ohoh ohoh  
Oh ohoh oh ohoh oh ohoh ohoh  
You will find that life's worth living  
In this world, it's out of this world  
(It's out of this world)  
With a little love and a little giving  
In this world, it's out of this world  
(It's out of this world)

You will find that life's worth living  
In this world, it's out of this world

It' out of this world

Oh ohoh oh ohoh oh ohoh ohoh  
Hey yea  
Oh ohoh oh ohoh oh ohoh ohoh  
Yeah

You will find that life's worth living  
In this world, it's out of this world  
With a little love and a little giving  
In this world, it's out of this world

You will find that life's worth living  
In this world, it's out of this world  
(It's out of this world)  
With a little love and a little giving  
In this world, it's out of this world

You will find that life's worth living  
In this world, it's out of this world  
With a little love and a little giving  
In this world, it's out of this world

You will find that life's worth living  
Yeah  
In this world  
Little love and a little giving  
In this world, it's out of this world
