Here is where the road divides, here is where we realize  
The sculpting of the Father's great design  
Through time you've been a friend to me  
But time is now the enemy, I wish we didn't have to say  
goodbye

But I know the road He chose for me  
Is not the road he chose for you  
So as we chase the dreams we're after

Pray for me and I'll pray for you  
Pray that we will keep the common ground  
Won't you pray for me and I'll pray for you  
And one day love will bring us back around again

Painted on our tapestry, we see the way it has to be  
Weaving through the laughter and the tears  
But love will be the tie that binds us to the time we  
leave behind us  
Memories will be our souvenirs

And I know that threw it all  
The hardest part of love is letting go  
But there's a greater love that holds us

Pray for me and I'll pray for you  
Pray that we will keep the common ground  
Won't you pray for me and I'll pray for you  
And one day love will bring us back around

Won't you pray for me and I'll pray for you  
Pray that we will keep the common ground  
Won't you pray for me and I'll pray for you  
And one day love will bring us back around  
Oh I know that love will bring us back around again
