Lost

My heart is hard as stone

On my own, alone, I carry it home

Gone

I used to waste the days,

So distraught, I thought, I'm changing my ways

Now you're changing my ways

You save me

Save me from myself

There is no one else

I'd lean on

Save me

You save me from myself

There is no one else that sets me free

Start

The start of something new

Is what I find, when I'm just looking at you

Lift

You lift me off the ground,

Keep holding my hand

I won't bend or even look down

Don't look down!

Don't look down!

You save me

Save me from myself

There is no one else

I'd lean on

Save me

You save me from myself

There is no one else that sets me free

You save me

Save me from myself

There is no one else

I'd lean on

Save me

You save me from myself

There is no one else that sets me free
