The enemy has been defeated  
And death couldn't hold You down  
The enemy has been defeated  
And death couldn't hold You down

The enemy has been defeated, hey  
The enemy has been defeated  
And death couldn't hold You down

The enemy has been defeated  
And death couldn't hold You down  
We're gonna lift our voice in victory  
We're gonna make Your praises loud

The enemy has been defeated  
And death couldn't hold You down  
We're gonna lift our voice in victory  
We're gonna make Your praises loud

The enemy has been defeated  
And death couldn't hold You down  
We're gonna lift our voice in victory  
We're gonna make Your praises loud

The enemy has been defeated  
And death couldn't hold You down  
We're gonna lift our voice in victory  
We're gonna make Your praises loud

The enemy has been defeated  
Death couldn't hold You down  
We're gonna lift our voice in victory  
We're gonna make Your praises loud

The enemy has been defeated  
Death couldn't hold You down  
We're gonna lift our voice in victory  
We're gonna make Your praises loud

Shout unto God with a voice of triumph  
Shout unto God with a voice of praise  
Shout unto God with a voice of triumph

We lift Your name up, we lift Your name up

Shout unto God with a voice of triumph  
Shout unto God with a voice of praise  
Shout unto God with a voice of triumph  
We lift Your name up, we lift Your name up

Shout unto God with a voice of triumph  
Shout unto God with a voice of praise  
Shout unto God with a voice of triumph  
We lift Your name up, we lift Your name up

Shout unto God with a voice of triumph  
Shout unto God with a voice of praise  
Shout unto God with a voice of triumph  
We lift Your name up, we lift Your name up

Hallelujah
