This is a song i learned at my school and im just letting u know we adore it and its just beautiful for people to hear and sing it.

Come, behold this child in a manger
Gift of the father's great love
Angels look down as His glory sorrounds them
Starlight from Heaven above

Sing Noel,Sing Hallelujah

God in us now come to dwell
Sing Noel lift high His praises
Christ our Emmanuel
Christ our Emmanuel

Let every daughter and son of the Father
Rise on this Christmas night
Let every voice sing all praise and rejoicing
Christ our redeemer is born
