Always so beautiful
The earth displays Your majesty
How could you ever be
So mindful of
Someone as me?

You captivate
Splendor I have never seen
Nothing else can compare
You're infinite
You're everywhere

You're everything I can't explain
You set my heart up higher
And here I stand amazed
You take my breath away
You take my breath away

You've seen me all I am
These empty hands are all I can give
That you would die so I live
Sacrifice I can't believe
You fascinate
You stole my heart
I can't forget
And now that I've felt Your love
No turning back
I can't get enough

You're everything I can't explain
You set my heart up higher
And here I stand amazed
You take my breath away

The morning breaks
My soul awakes
You are my one desire

And here I stand amazed
You take my breath away
You take my breath away, yeah-ay
Whoah-oh

With just one word
With just one glance
I'm lost in this divine moment
And every single day
More than I can say
You take my breath away

You're everything I can't explain
You set my heart up higher
And here I stand amazed
You take my breath away

The morning breaks
My soul awakes
You are my one desire
And here I stand amazed
You take my breath away

Sing oh-oh, oh-oh
Oh-oh, oh-oh
Oh-oh, oh-oh
Take my breath away

Oh-oh, oh-oh
Whoah-oh, oh-oh
Whoah-oh, oh-oh
Take my breath away
You take my breath away
