Follow the footsteps, or travel down your own road
Designing your fate
Hear what your heart says, still you decide which way
to go
Oh, your life's an open gate

'Le bon et 'le mal
These are the voices
We nous somme liberti'
We make the choices

Echoes of laughter, dancing in distant corridors
With the tears of hearts undone
Dreams we chase after, give us the key to any door
Oh, we are what we become

'Le bon et 'le mal
These are the voices
We nous somme liberti'
We make the choices

Holding and reaching, we face the calm, we face the
fear
As we learn to win and lose
Voices are speaking, still we hear what we want to hear
Oh, our life is ours to choose

'Le bon et 'le mal
These are the voices
We nous somme liberti'
We make the choices

'Le bon et 'le mal
These are the voices
We nous somme liberti'
We make the choices

Voices, voices, voices

These are the voices
We make the choices

Voices, voices, voices
