someone should pull your pants down and kick your
idealistic, fatalistic
mind and kiss your ass till it bleed cause you don't
realize that you
feed the mind of the dramatic, fanatic, with your bad
intentions, new
inventions, you can't distract the progress of the mind,
killing your
own
kind, you have to realize, that the truth is hidden
among lies, realize
you can't be the answer until you have found the
solution to pollution,
contemplation of reincarnationstation
socialistic, futuristic, way of thinking increasing the
way i feel about
my status in the up and coming society creeping all
over me, is this how
it supposed to be ? i do not know, sinked so low, i have
never been this
clever to comprehend the crucifixion of your idol, all
you gots to
comprehend is the separation of the truth from the lies,
so i compromise
