Fairytale (Michael Wong)
I've forgotten how long I haven't heard you
Tell your favorite story to me
I've thought so long, I'm starting to be confused
Is it because I did something wrong again?

Crying, you tell me fairytales are all lies
I couldn't possibly be your prince
Maybe you don't understand: ever since you said you
loved me
The stars in my sky all lit up

I'm willing to (want to) (will) become
The angel you love in that fairytale
Open my two hands, they'll become wings to protect
you
You must believe, believe we are like that fairytale
story
We'll live happily ever after*

We'll write our "ever after" together*
