I can't light  
No more of your darkness  
All my pictures  
Seem to fade to black and white

I'm growing tired  
And time stands still before me  
Frozen here  
On the ladder of my life

It's much too late  
To save myself from falling  
I took a chance  
And changed your way of life

But you misread  
My meaning when I met you  
Closed the door  
And left me blinded by the light

Don't let the sun go down on me  
Although I search myself, it's always someone else I  
see  
I'd just allow a fragment of your life to wander free  
But losing everything is like the sun going down on me

I can't find  
Oh, the right romantic line  
But see me once  
And see the way I feel

Don't discard me  
Just because you think I mean you harm  
But these cuts I have  
They need love to help me heal

Don't let the sun go down on me  
Although I search myself, it's always someone else I  
see  
I'd just allow a fragment of your life to wander free  
'Cos losing everything is like the sun going down on me

Don't let the sun go down on me  
Although I search myself, it's always someone else that  
I see  
I'd just allow a fragment of your life to wander free,  
baby  
'Cos losing everything is like the sun going down on me
