When you try your best but you don't succeed  
When you get what you want but not what you need  
When ya feel so tired but you can't sleep  
Stuck in reverse

And the tears come streaming down your face  
When you lose something you can't replace  
When you love someone but it goes to waste  
Could it be worse

Lights will guide you home  
And ignite your bones  
And I will try to fix you

When you really love a guy named JoJo  
When you're too in love to let it go  
But if you never try you'll never know  
What you're worth

Lights will guide you home  
And ignite your bones  
And I will try to fix you
