Hey baby on my mind  
You're doin' something to me all the time  
Too much and always stoned  
I'm drinking baby, drinking all alone

Don't know what the hell I got  
Whatever it is it's an awful lot  
Hey, I'm gonna loose control  
From my liver to my very soul  
Yeah, yeah, yeah, yeah

Hey baby mind is blown  
Never ever want to answer the phone  
Time and time again I've tried  
But someone answers and I know he lies

Don't know what the hell I got  
Whatever it is it's an awful lot  
Hey, I'm gonna loose control  
From my liver to my very soul

I don't want to be lonely, no, no, no, no, no  
I don't want to be lonely, lonely without love

Suitcases in my hand  
Packing baby, packing all I can  
Tunes rolling in my head  
Make me think of all the things you said

Don't know what the hell I got  
Whatever it is it's an awful lot  
Hey, I'm gonna loose control  
From my liver to my very soul

I don't want to be lonely, no, no, no, no, no  
I don't want to be lonely, lonely without love

Don't know what the hell I got  
Whatever it is it's an awful lot  
Hey, I'm gonna loose control  
From my liver to my very soul

I don't want to be lonely, no, no, no, no, no  
I don't want to be lonely, lonely without love

Yeah, yeah, yeah  
Without love  
Without love  
Hmmm, without love  
Yeah, yeah, without love  
Hmmm, without love
