Igual bien
Hasta cien
Madera vieja
Arriba, en,
Y es que tal vez, solamente
Algo hay en medio
Ahora y despues
Igual y el
Seria quien
Arroja del
Suelo edn
Y es que tal vez ultimamente
Algo hay desde
Hoy y antes
Now let it be known
May the thurth be shown
Life's on on lease and so is rent to own
And this sure will lead to where you are prone
Gravity will lead you now to the bajn
It don't fuckin' matter what road you're on
It don't fuckin' matter if you right or wrong
It don't fuckin' matter if you're weak or strong
It don't fuckin' matter if you sing this song
[Chorus 2x]
Como olvidar de lo que se esta echo
Igual pedazos de infierno y cielo
Siendo unos tantos unidos de vuelo
Ahora y despues
Gloria y duelo
Igual cabe
Nunca sabe
Lumbre sube
Luego nube
Y es que tal vez
Sonoramente
Esta tinta
Una permanente
Igual dados
Somos espacio
No separados
Clasificados
Y es que tambin

Pensando que
Continua hasta el anochecer
Quin (tell da man)
Quin te (tell da man)
Quien te prendi que no te apag (who was it now?)
Quin te que peg que no te sob (tell me who was it now)
So take what you need and leave what you don't
Do what you will and don't what you won't
Just a little piece of stolen time
And there ain't no reason to do this funky rhyme
