Help me find some time to love my love

I tried my best to do what you please
Iâ'm never there when you need me
I forgot to tell you how I care

What can I say? What can I do?
Iâ'm always running out of time
I only have myself to blame, oh yeah

And everytime you look around thereâ's nobody there
Whoâ's gonna take my place when Iâ'm gone?
I know I may be wrong on what Iâ'm doing to your love
Now I know what it is... Iâ'm telling you...

Woah, thereâ's no time for love anymore
And I keep on running out of time
Woah, thereâ's no time for love anymore
Love is gonna take you away
Loveâ's gonna take you away from me...

Is it so hard to understand?
Things ainâ't always what they seem
So donâ't expect too much from me
Iâ'm here just trying to make it right for you and me

And everytime you look around thereâ's nobody there
Whoâ's gonna take my place when Iâ'm gone?
(When Iâ'm Gone)
I know I may be wrong on what Iâ'm doing to your love
Now I know what it is... Iâ'm telling you...

Woah, thereâ's no time for love anymore
And I keep on running out of time
Woah, thereâ's no time for love anymore
Love is gonna take you away
Loveâ's gonna take you away from me...
Yeah, itâ's gonna take you away
And everytime you look around thereâ's nobody there
Whoâ's gonna take my place when Iâ'm gone?
(When Iâ'm Gone)

I know I may be wrong on what Iâ'm doing to your love
Now I know what it is... Iâ'm telling you...

Woah, thereâ's no time for love anymore
And I keep on running out of time
Woah, thereâ's no time for love anymore
Love is gonna take you away

Woah, thereâ's no time for love anymore
Please stop me from running out
Woah, help me find the time to love my love
â'Fore a new love will take you away...

All my life Iâ've been thinking about giving you more
I was too blind to see there are things I canâ't buy
It takes some time to prove yourself that itâ's all about
love
Just give me one more try
And I will let you down no more

Woah, thereâ's no time for love anymore
Yeah, and I keep on running out of time
Woah, thereâ's no time for love anymore

I know Iâ've gotta find some time to love...
Woah, thereâ's no time for love anymore
To love my love... Hooh!

Woah, thereâ's no time for love anymore
Woah, thereâ's no time for love anymore
Woah, thereâ's no time for love anymore
Woah, thereâ's no time for love anymore
Woah, thereâ's no time for love anymore

Bada, bidi, babba
Bidi, budi, babba
Badabu, badabe, badabi, badaben
Badaben, badaben, badaben...

Ah, oh, oh, thereâ's no time for love anymore
Yeah, yeah, Iâ'm always running out of time...
