Awww....Lets Break it down like this
Uh-huh-uh-uh-uh-uh-uh-uh-uh

There is this girl
Man her tits are growing
and her butt it filling out
why won't she notice me?
She plays with my sister instead

(Chorus)
The wind is in your face
Make it stop blowing
The ocean burns the blister on my foot
The seagull calls at the crabs on the beach
and then there is a girl
She is laughing
I call her Amanda
Yes, Amanda

Well now that you are a big girl
I need to confess my love
and if your family wasn't so strange I would
but until the day the Indian ritual dies
I will have to want you inside

(Chorus)

Bye A-MAN-DUH
DUH-A-E-A-A-E-A
It's love

(Chorus-Fades out)
