Now, don't just walk away
Pretending everything's okay
And you don't care about me
And I
Know it's just no use
And all your lies become your truths
And I don't care
Yeah Yeah Yeah

Chorus:
Could you look me in the eye
And tell me that you're happy now?
Would you tell it to my face
Or have I been erased
are you happy now?

You took all there was to take
And left me with an empty plate
And you don't care about it
And I
am giving up this game
and leaving you with all the blame
cause I don't care
Yeah, yeah yeah yeah

Chorus

Do you really have everything you want?
You cant give away something you aint got
You cant run away from yourslef.....
