Are You Happy Now?

Now

Don't just walk away
Pretending everything's okay
And you don't care about me
And I
Know it's just no use
When all your lies become your truths
And I
Don't care, Yeah yeah yeah

Chorus

Could you look me in the eye
And tell me that you're happy now (oooh)
Would you tell it to my face
And have a little grace
Are you happy now?
Are you happy now?

You

Took all there was to take
And left me with the empty plate
And you don't care about it
And I
Am giving up this guilt
And leaving you with all the blame
Cuz I don't care

Chorus

Are you happy now?
Are you happy now?
Are you happy now?
Yeah, yeah
Do you really have everything you want?
You could never give something you regret
You could run away from yourself
Yeah

Could you look me in the eye

And tell me that you're happy now, yeah yeah
Come on, tell it to my face
And have a little grace
Are you happy now?
Are you happy now?
Are you happy now?

Would you look me in the eye?
Could you look me in the eye?
I've had all that I can take
I'm not about to break cuz I'm happy now
Are you happy now?
