I've been driving for an hour
Just talking to the rain
You say I've been driving crazy
And it's keeping you away

So just give me one good reason
Tell me why I should stay
Cause I don't want to waste
Another moment saying things
We never meant to say

And I
Take it just a little bit
I
Hold my breath and count to 10
I've been waiting for a chance
To let you in

If I just breathe
Yeah
fill the space between
Our love
Everything is alright
Breathe
Every little thing
Except me
You'll see
Everything is alright
If I just breathe

Well talk is so overrated
In not saying how you feel
So you end up watching chances fade
And wondering what's real

And I
Give you just a little time
I wonder if you realize
I've been waiting t'ill I see it
In your eyes

If I just breathe

Yeah
Fill the space between
Our love
Everything is alright
Breathe
Every little thing
Except me
You'll see
Everything is alright
If I just breathe

Breathe
So I whisper in the dark
Hoping you'll hear me
Do you hear me?

If I just breathe
Yeah
Fill the space between
Our love
Everything is alright
Breathe
Every little thing
Except me
You'll see
Everything is alright
Breathe
Everything is alright

** this song brought to you by silent spirit **
Everything is alright
If I just breathe
Breathe

I've been driving for an hour
Just talking to the rain
