Of all the things i've believed in
I just wanna get it over with
Tears form behind my eyes
But I do not cry
Counting the days that pass me by

Ive been searching deep down in my soul
Words that Im hearing
Are starting to get old
Feels like Im starting all over again
The last three years were just pretend

And I said...
Goodbye to you
Goodbye to everything that I knew
You were the one I loved
The one thing that I tried to hold onto

I can still get lost in your eyes
And it seems I cant live a day without you
Closing my eyes you chase my thoughts away
To a place where im blinded by the light

But its not right...
Goodbye to you
Goodbye to everything that I knew
You were the one I loved
The one thing that I tried to hold onto

And it hurts to want everything
And nothing at the same time
I want whats yours and i whats mine
I want you
But Im not giving in this time

Goodbye to you
Goodbye to everything that I knew
You were the one I loved
The one thing that I tried to hold onto

One thing that I tried to hold onto...

Goodbye to you
Goodbye to everything that I knew
You were the one I loved
The one thing that I tried to hold onto

And when all the stars fall I will lie awake
You're my shooting star
