Turn it inside out so I can see  
The part of you that's drifting over me  
And when I wake you're never there  
But when I sleep you're everywhere  
You're everywhere

Just tell me how I got this far  
Just tell me why you're here and who you are  
'Cause every time I look  
You're never there  
And every time I sleep  
You're always there

'Cause you're everywhere to me  
And when I close my eyes it's you I see  
You're everything I know  
That makes me believe  
I'm not alone  
I'm not alone

I recognize the way you make me feel  
It's hard to think that  
You might not be real  
I sense it now, the water's getting deep  
I try to wash the pain away from me  
Away from me

'Cause you're everywhere to me  
And when I close my eyes it's you I see

You're everything I know  
That makes me believe  
I'm not alone  
I'm not alone

I am not alone  
Whoa, oh, oooh, oh

And when I touch your hand  
It's then I understand  
The beauty that's within  
It's now that we begin

You always light my way  
I hope there never comes a day  
No matter where I go  
I always feel you so

'Cause you're everywhere to me  
And when I close my eyes it's you I see  
You're everything I know  
That makes me believe  
I'm not alone  
'Cause you're everywhere to me  
And when I catch my breath  
It's you I breathe  
You're everything I know  
That makes me believe  
I'm not alone

You're in everyone I see  
So tell me  
Do you see me?
