I used to get away so much
Now I can't get away
I even thought that it was simple
To say the things I wanted to say

When you told me everything I wanted to hear
And you sold me, now I don't know how I should feel
I should know me
And baby you would think I'd know better, ho woh, yeah

I'm finding my way back to you
And everything I used to be
And leavin' is all that I can do
Until you find your way back to me

What if I said what I was thinking?
What if that says too much?
When everybody's got a reason
I feel like givin' up

And you told me everything I wanted to hear
And you sold me, now I don't know how I should feel
I should know me
And baby you would think I'd know better, ho woh, yeah

I'm finding my way back to you
And everything I used to be
And leavin' is all that I can do
Until you find your way back to me, yeah
Until you find your way back to me
Oh, until you find your way back to me

I used to get away so much
I'm finding my way back to you
And everything I used to be
And leavin' is all that I can do
Until you find your way back to me, yeah
Ho woh, yeah, oh

And leavin' is all I can do
Until you find your way back to me, oh
I used to get away so much
