Of all the things I've believed in,
I just want to get it over with,
tears form behind my eyes,
but I do not cry,
counting the days that pass me by.

I've been searchin' deep down in my soul;
words that I'm hearin' are starting to get old,
it feels like I'm starting all over again,
The last three years were just pretend,
and I said...

Goodbye to you,
goodbye to everything I thought I knew,
You were the one I loved,
the one thing that I tried to hold onto.

I still get lost in your eyes,
and it seems that I can't live a day without you,
closing my eyes,
and you chase my thoughts away,
to a place where I am blinded by the light,
but it's not right.

Goodbye to you,
goodbye to everything I thought I knew,
You were the one I loved,
the one thing that I tried to hold on to.

Ooh whoa....
and it hurts to want everything and nothing at the same
time,
I want what's yours and I want what's mine,
I want you,
but I'm not giving in this time.

Goodbye to you,
goodbye to everything I thought I knew,
You were the one I loved,
the one thing that I tried to hold onto
Goodbye to you, (goodbye to you)

goodbye to everything I thought I knew, (goodbye to
you)

You were the one I loved,
the one thing that I tried to hold onto,
(the one thing that i tried to hold onto)
the one thing that I tried to hold onto.
(the one thing that i tried to hold onto)

Oh, oh whoa, oh, oh (one thing that i tried to hold onto)
and when the stars fall I will lie awake,
you're my shooting star.
