I wanted to be like you
I wanted everything
So I tried to be like you
And I got swept away...

I didn't know that
It was so cold and
You needed someone to show you the way
So I took your hand and
We figured out that
When the time comes I'll take you away

If you want to
I can save you
I can take you away from here
So lonely inside
So busy out there
And all you wanted was somebody who cares

I'm sinking slowly
So hurry, hold me
Your hand as I have to keep me hanging on
Please can you tell me
So I can finally see
Where you go when you're gone

If you want to
I can save you
I can take you away from here
So lonely inside
So busy out there
And all you wanted was somebody who cares

All you wanted was somebody who cares
If you need me
You know I'll be there
Ow oh ooooooooooooooooooooooh yeaaaaaaaah

If you want to
I can save you
I can take you away from here (I can take you away)
So lonely inside

So busy out there
And all you wanted was somebody who cares
Oooooooooooh oooooooooh oooh oooh

If you want to (If you want to)
I can save you (ooooooooh)
I can take you away from here (I can take you away)
So lonely inside (owh yeah)
So busy out there (ooowooh)
And all you wanted was somebody who cares

Please can you tell me
So I can finally see
Where you go when you're gone
