I cannot help it, I couldn't stop it if I tryin'
The same old heart beat fills the emptiness I have
inside
And I've heard that you can't fight love, so I won't
complain
'Cause why would I stop the fire that keeps me goin'
on?

'Cause when there's you
I feel whole
And there's no better feelin' in the world
But without you
I'm alone
And I'd rather be in love with you

Turn out the lights now to see is to believe
I just want you near me, I just want you here with me
And I'd give up everything only for you
It's the least that I could do, what?

'Cause when there's you
(When there's you)
I feel whole
(I feel whole)
And there's no better feelin' in the world
But without you
(Without you)
I'm alone
(I'm alone)
And I'd rather be in love with you

And I feel you holdin' meee, eee yea
Why are we afraid to be in love?
To be loved, ohh loved
I can't explain it
I know it's tough, to be loved
And I feel you holdin' meee, eee yea
Ohh ooo yea, ohh

When there's you
(When there's you)
I feel whole

(I feel whole)
I feel whole
(No)
And there's no better feelin' in the world
(Without you)
Without you
(I'm alone)
Alone
(Rather)
And I'd rather be in love

When there's you
(When there's you)
I feel whole
(I feel whole)
And there's no better feelin' world
There's no better feelin' in the world
Hey hey no
And I'd rather be in love
Just I'd rather be in love
Ohh I'd rather be in love with you

And I feel you holding meee, eee yea
Ohh ohh yea
