I don't know whose side I'm takin'
But I'm not takin' things too well
I can see inside you're achin'
But is it still too early for me to tell

I try to help you out through the hardest of times
Your heart is in your throat and I'm speaking my mind
Though it looks as if it's over
I'm still not over you

'Cause I still love you like I did before
I know it's for sure
That you still feel the same way I do
If only she knew
Lord, if only she knew, aah

I try to let it go
But I don't know if I can take it
'Cause the way you looked at me
Made me see that I can't really fake it

I try to help you out through the hardest of times
Your heart is in your throat and I'm speaking my mind
Though it looks as if it's over
I'm still not over you, huh

'Cause I still love you like I did before
I know it's for sure
That you still feel the same way I do
If only she knew, Lord

I know she loves you and I can't interfere
So I'll just have to sit back
And watch my world disappear here
Ohh Lord

I try to help you out through the hardest of times
Your heart is in your throat and I'm speaking my mind
Though it looks as if it's over
I'm still not over you
I'm still not over you, Lord

'Cause I still love you like I did before
I know it's for sure that you
Still feel the same way I do, Lord

'Cause I will never ever walk away
I'll find a way she could never love you like I do
If only she knew

Whoa, Lord if only she knew
Lord, if only she knew
Oh yea, if only she knew
Lord, if only she knew
Oh yea, if only she knew
Lord, if only she knew
Oh yea, if only she knew
Lord, if only she knew
Oh yea, if only she knew
