spoken: "Alright you guys better move up,
'cause it's a fuckin' rock show. Come on."

It's no surprise to me I am my own worst enemy
'Cause every now and then I kick the living shit out of
me
The smoke alarm is going off, and there's a cigarette
Still burning

Chorus:
Please tell me, why...
The car is in the front yard, and I'm
Sleeping with my clothes on
Came in through the window last night
And your...gone

Chorus:
Please tell me, why
The car is in the front yard, and I'm

Sleeping with my clothes on
Came in through the window last night

OWooh
(It's no surprise to me I am my own worst enemy)
OWooh
('Cause every now and then I kick the livin' shit out of
me)
OWooh
(Can we forget about the things I said when I was
drunk?)
OWooh
(I didn't mean to call you that)
