The sun is going down
and the moon is coming up
I'm tired of this town
and this crazy, crazy love
He heard me walk away
Don't wanna see his face anymore
He's laughing, I'm crying
As I run out the door,
Singing...

Chorus:
la la la la
It's time for a change 'round here
woh woh oh oh
'Cause I'm getting restless
Just get me on the train

All my bags are fucking packed
I'm ready for a while
Wondering if it's just a fad
or are we really out of style
He's choosing, not hurting
Now *****(not sure)*****
** about times and the things I loved,
Thinking...

Chorus:
la la la la
It's time for a change 'round here
woah woah oh oh
'Cause I'm getting restless
Just get me on the train

Bridge:
And I'm gonna go far away from here

oh oh yeah yeah oh
All the people that I've know
are so far away from here
Take me somewhere so your
far away from here...

The sun is going down
And the moon is coming up
Singing...

Chorus:
la la la la
It's time for a change 'round here
woah woah oh oh
'Cause I'm getting restless
Just get me on the train

Chorus:
la la la la
It's time for a change 'round here...oh oh oh oh
woah woah oh oh
'Cause I'm getting restless
Just get me on the train

Just get me on the train

Just get me on the train...
