I can't leave the house,  
I can't get out of bed.  
I can't stop the tears from running down my face again.

I can't move an inch,  
I can't feel my legs and feet.  
I can't feel the rain running down my face again.

Away,  
Away.

I can't stop the pain,  
I can't make the fever break.  
I can't taste the sweat running down my face again.

Away,  
Away,  
Can you make it go away?

I can't even scream,  
I can't even let it out.  
I can't see the blood running down my face again.

Away,  
Away,  
Can you make it go away?

Away,  
Away.
