You know it only breaks my heart  
to see you standing in the dark  
oh, waiting there for me  
to come back  
too afraid to show

it's coming over you  
like it's coming over me  
crashing like a tidal wave  
drags me out to see

i wanna be with you  
like you wanna be with me  
crashing like a tidal wave  
i dont wanna be  
stranded

i can only take so much  
these tears are turning me to rust  
i know, you're waiting there for me  
to come back  
too afraid to show

it's coming over you  
like it's coming over me  
crashing like a tidal wave  
drags me out to see

i wanna be with you  
like you wanna be with me  
crashing like a tidal wave  
i dont wanna be  
stranded

i miss you,  
i need you,  
without you,  
i'm stronger,  
i love you,  
so come back,  
i'm not afraid to show

it's coming over you  
like it's coming over me  
crashing like a tidal wave  
drags me out to see

i wanna be with you  
like you wanna be with me  
crashing like a tidal wave  
i dont wanna be  
stranded

so baby come back...
