I was lost  
And you were found  
You seemed to stand on solid ground

I was weak  
And you were strong  
And me and my guitar,  
We strummed along, oh

Sweet misery you cause me  
That's what you called me  
Sweet misery you cause me

I was blind  
But oh, how you could see  
You saw the beauty in everything, everything and me

I would cry  
And you would smile  
You'd stay with me a little while

Sweet misery you cause me  
That's what you called me  
Sweet misery you cause me

And in my heart I see, oh  
What you're doing to me  
And in my heart I see, oh  
Just how you wanted it to be  
Sweet misery

Oh, whoa, oh  
Oh, whoa

Sweet misery you cause me  
That's what you called me  
Sweet misery you cause me

And in my heart I see, oh  
What you're doing to me  
And in my heart I see, oh  
Just how you wanted it to be

Sweet misery, whoa  
Sweet misery, oh

Oh, whoa, oh, whoa  
Sweet Misery

I was weak  
And you were strong  
And me and my guitar,  
We strummed along
