I was lost and you were found  
You seem to stand on solid ground

I was weak and you were strong  
And me and my guitar, we strummed along, oh

Sweet misery you cause me  
That's what you called me  
Sweet misery you cause me

And in my heart I see, oh, what you're doing to me  
And in my heart I see, oh, just how you wanted it to be  
Sweet misery

Sweet misery you cause me  
That's what you called me  
Sweet misery you cause me

And in my heart I see, oh, what you're doing to me  
And in my heart I see, oh, just how you wanted it to be  
Sweet misery

I was weak, you were strong  
And me and my guitar, we strummed along
