Roll the dice, point the gun
Make it fast, have some fun
Light a match, throw it in
Let the trouble begin

Take a leap, take a shot
Give me all that you got
Live it up down the road
Let's get on with the show

And I can't give you up
No it's never enough
No it's never enough, enough

Yeah yeah eh..

Woah, so come on baby take a chance on me
I'm what you need
So come on baby
Come on and take a chance on me

Come on, come on
Yeah yeah yeah yeah

You're like a broken arrow
That's never seen the sky
Let me fix you up
Let me watch you fly

And you're so damn tired
Being down on your luck
I'm a heads-up penny
Come and pick me up

And you won't let me go
No don't let me go

No don't leave me here all alone

Yeah yeah yeah

Woah, come on baby take a chance on me

I'm what you need
So come on baby
Come on and take a chance

Out of the blue
Out of the sky
Into my heart
Into my life
Yeah come on take
And give me a try

Give me a chance

Woah, come on baby take a chance on me
I'm what you need
So come on baby
Come on and come on

Woah, come on baby take a chance on me
I'm what you need
So come on baby
Come on and take a chance on me
Come on, come on
Yeah yeah yeah yeah
And take a chance on me
Come on, come on
Yeah yeah yeah yeah
And take a chance on me
