Tell me,  
Just what you want me to be  
One kiss and boom youre the only one to me  
So please tell me  
Why dont you come around no more?  
Cause right now Im  
Cryin outside the door of your candy store

Chorus:  
It just takes a little bit of this, a little bit of that  
It started with a kiss now were up to bat  
A little bit of laughs, a little bit of pain  
Im telling you my babe its all in the game of love . . .

is, whatever you make it to be  
Sunshine, set on this cold, lonely sea  
So please baby  
Try and use me for what Im good for  
It aint sayin  
Goodbye Its knockin down the door of your candy store

Repeat Chorus:  
(add) Its all in this game of love

Bridge:  
You roll me, control me, console me  
Please hold me  
You guide me, divide me into what

So please tell me  
Why dont you come around no more?  
Cause right now Im  
Dying outside the door of your lovin store  
It just takes a little bit of this, a little bit of that  
It started with a kiss now were up to bat  
It little bit of laughs, a little bit of pain  
Im telling you my babe its all in the game of love  
Its all in this game of love, its all in the game of love...  
The game of love

Roll me, control me,

Please hold me  
(make me feel good)

Now here am I on my own, on my own  
(fade out)
