Tell me just what you want me to be
One kiss and boom
You're the only one to me

So please tell me why don't you come around no more
'Cause right now I'm crying outside the door of your
candy store

It just takes a little bit of this
A little bit of that
It started with a kiss
Now we're up to bat
A little bit of laughs
A little bit of pain
I'm telling you my babe it's all in the game of love

Is whatever you make it to be
Sunshine
Set on this cold
Lonely sea

So please baby try and use me for what I'm good for
It ain't saying goodbye
It's knocking down the door of your candy store

It just takes a little bit of this
A little bit of that
It started with a kiss
Now we're up to bat
A little bit of laughs
A little bit of pain
I'm telling you my babe it's all in the game of love
It's all in the game of love

You roll me
Control me
Console me
Please hold me
You guide me
Divide me into what

So please tell me why don't you come around no more
'Cause right now I'm dying outside the door of your
loving store

It just takes a little bit of this
A little bit of that
It started with a kiss
Now we're up to bat
A little bit of laughs
A little bit of pain
I'm telling you my babe it's all in the game of love
It's all in the game of love
It's all in the game of love

Roll me
Control me
Please hold me

(Make me feel good)
(Yeah)
(A little bit of laughs)
(A little bit of pains)
Now here am I on my own
On my own

(A little bit of this)
(A little bit of that)
