I turned around
And there you were
Standing in front of me
I can't ignore the fact
That you were back
For more

It's kind of funny
When you think about it
It's kind of hard
To agree to disagree
And now we're back to the start
And I'm falling apart
Like you want me to be

So take me away
Cause I don't want to be found
I should learn to speak up
When enough is enough
And I'm wanting out
And I'm wanting out

I saw you smiling in that photograph
And I remember how you used to laugh
But that was then
Forgive and forget
Is just easiest

So take me away
Cause I don't want to be found
I should learn to speak up
When enough is enough
And I'm wanting out
And I'm wanting out

Da da da da da da da ooooooh

And I don't know if I can get through this
And I never knew that before
You'll make up your mind
And suddenly find you're
Wanting more

So take me away
Cause I don't want to be found
I should learn to speak up
When enough is enough
And I'm wanting out
Oh
And I'm wanting out
[repeat]

And I'm wanting out
And I'm wanting out
And I'm wanting out
Oh
And I'm wanting out
