Maybe I'd do better on my own  
No one ever seems to understand me  
It's easier for me to be alone  
But there's still a piece of me that feels so empty

I've been all over the world  
I've seen a million different places  
Back through the crowds an' all the faces  
I'm still out there lookin' for you, ho oh

Where are you now?  
I'm tryin' to get by with never knowin' at all  
What is the chance of findin' you out there?  
(What is the chance?)  
Do I have to wait forever?  
(Aah)

I write about the things I'll never know  
An' I can find a moment just to a slow down  
It makes me think I'll never have the chance  
To figure out what it's all about?  
(To figure out what it's all about?)  
So tell me what it's all about? 'Cause  
(Tell me)

Where are you now?  
(Where are you now?)  
I'm tryin' to get by with never knowin' at all  
What is the chance of finding you out there?  
(What is the chance?)  
Do I have to wait forever? Ooo oh oh oh  
(Aah)

(Oh oo oh)  
Yeah, la da da da da da da da  
Ooo

Where are you now?  
I'm tryin' to get by with never ever knowin' at all  
And I still don't know, ooo

Where are you now?

(Where are you now?  
I'm trying to get by with never ever knowin' at all, oh  
What is the chance of findin' you out there?  
(What is the chance?)  
Do I have to wait? Do I have to wait? Do I have to wait  
forever?  
(Aah, aah, aah)

(Forever)  
Ooo yeah
